Description of the role

The Cafe at Northmoor Community Associations (NCA) is open to the public every Wednesday from 12pm to 2pm. As a volunteer cook you would be responsible for cooking a nutritious meal from a recipe or baking a cake from a recipe. We value your experience as a cook or baker so if you have your own recipes you would like to cook then this is encouraged. It is a great chance for volunteers to gain valuable work experience, get creative in the kitchen and give back to the community.

Before starting as a volunteer cook you will be expected to complete a level 2 food hygiene course on the computer which we will provide free of charge at the centre.

Volunteers are required to have a full induction and will be paid out-of-pocket expenses such as bus fare.

Main Tasks

- Deciding on a recipe each week and compiling a shopping list ensuring sufficient ingredients are bought to serve over 30 people. The ingredients will be bought by the community centre.
- To volunteer from 09:30am to 2pm and be responsible for cooking either a meat or vegetarian option for up to 30 people.
- General duties as needed eg washing up, cleaning, filling in the daily check lists, setting up, stock check

- To be able to cook to a good standard
- A hands on approach and an ability to cope well under pressure
- To be able to work as a team and good communication skills
- To be able to work within a diverse team of volunteers.
- A positive and can do attitude.
- To be self-motivated and show initiative.

What will you gain?

- Experience working within a diverse community.
