About Northmoor Community Association

Northmoor Community Association (NCA) is an independent charity set up by the local community in 2000, based in Longsight, Manchester; it is made up of two parts: Northmoor Community Centre and Social Enterprise Northmoor Community Laundrette. NCA is run with an emphasis on relieving poverty, promoting health & wellbeing, advancing skills & learning and enhancing the quality of life for the people who engage with us and use our services - this is a reflection of our mission and volunteer designed and community endorsed logo. Today the NCA is an integral part of a diverse community that is tackling multi levels of deprivation and we fulfil our mission by offering a wide range of services and activities for all ages, all of which are delivered by a dedicated team of staff and volunteers who have a variety of skills and knowledge. The majority of services we offer are free of charge so we rely on many different sources of funding to keep the services open; we also host a range of other free services that are delivered by other local charities or partner organisations.

Description of Northmoor Community Diner

The idea behind the Diner is to create a welcoming space for anyone to take a seat, enjoy a freshly cooked meal, meet members of their community and find out what's going on in the area. The Diner has a Level 5 Food Hygiene rating and is open to everyone in the community every Wednesday 12-2pm. There is a different meat (halal) dish, vegetarian dish and cake cooked every week by our staff and volunteers. There are no set prices for the food but we do accept donations to help keep the service open.
